DETAILED ACTION

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Replace the first paragraph after the heading "Cross Reference to Related Applications:" as follows:

--This application is a Divisional of Serial Number 09/762,161, filed March 12, 2001, now US Patent 6,720,362, which is a 371 of PCT/US99/11754, filed May 27, 1999, which claims benefit of US provisional application 60/100,699, filed September 17, 1998--.

The following is an examiner's statement of reasons for allowance: The instant invention is drawn to a non-crosslinked thermoplastic ethylenic polymer foam having specified cell diameter and more than 50 % of the cells opened by mechanical means. None of the prior art references of record teach or fairly suggest non-crosslinked ethylenic foams in which over 50% of cells are opened by mechanical means.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Irina S. Zemel whose telephone number is (571)272-0577. The examiner can normally be reached on Monday-Friday 9-5.
